

Parks Victoria September 2022 Board Meeting Report

The Parks Victoria Board met on Tuesday 27 September 2022 to review and discuss a range of priority issues and opportunities, with meeting highlights outlined below.

Croajingolong Coastal Wilderness Walk

The Board considered and discussed priorities for the Government's recent \$7.5m further investment to uphold sustainable asset management for the Croajingolong Coastal Wilderness Walk.

Construction Panel

The Board endorsed establishment of a Panel of Suppliers to provide Construction Contractors for Parks Victoria capital projects, enabling access to services across the state.

Major Capital Projects

Early 2022-23 progress on major capital projects and programs delivery discussed and noted by the Board.

People Plan 2022-2027

The Board approved the People Plan 2022 – 2027, built on three pillars:

- Strengthen Parks Victoria as an employer of choice
- Facilitate a diverse, inclusive and equitable workforce
- Enable and promote a workplace culture of leadership, capability and wellbeing.
